DOCKETED BY

BEFORE THE ARIZONA CORPORATION COMMISSION

In the matter of the compliance
ordered in Decision No.'s 70482
regarding the reporting of the tank
levels every 6 months and to account
for the standpipe revenues.

DOCKET NO W-02526A-08-0078

Bellemont Water Company is a public service corporation which provides public utility water service in the Bellemont area located in Coconino County in Arizona pursuant to certificates of convenience and necessity granted by the commission. The Company operates one system that has approximately eight industrial customers and unknown standpipe customers. The Company's current rates were established in Decision No. 71868 (August 31, 2009) (the Decision). The Company's business office is located at 5303 E. Cortland Blvd; Apt D-5, Flagstaff, AZ 86004. Its mailing is Post Office Box 31176, Flagstaff, AZ 86002, and its telephone number is (928) 526-3851. Questions about this compliance should be directed the manager, Klaudia Ness, at the above contacts. In the Decision, the commission

ordered the Company to docket each July and January, the daily water logs of the storage monitoring for the previous six months and a cumulative accounting of all the standpipe service revenue indicating how much money was collected, how much interest was earned, and a detailed description of any expenditures from the account. The standpipe revenue for the period July to December which was deposited is \$28,165.00. The interest earned for this period was \$15.12. Bank fees were \$74.60. The bank took \$327.00 to clear an amount from the general account. There was some fraud with the bank account between August 16 to August 22 which caused a new account to be setup. Attached to this document is the tank monitoring for the period July 1, 2011 and December 31, 2011. Also attached is the supporting bank statements for the standpipe revenues.

RESPECTFULLY SUBMITTED this 22th day of February, 2012.
